- **All Subjects One-on-one with certified teacher Flexible schedule**

Please refer to our teachers' qualifications as per below.

Ms. Reb---A current public school teacher with proven successful records of SAT ACT prep classes where students have improved 150~300+ scores and most students reached +1450 and ACT +34; She specializes in tutoring all levels of English with over 10 years of experiences of teaching grade K~12th Reading and Writing, High school Entrance Exam/SSAT, AP English, AP History, LSAT, SAT, ACT specific grammar, vocabulary and critical reading and essay writing skills in depth and test strategy.

Ms. Val---A current High School AP teacher with over 10 years of experience in teaching Biology, and currently a high school AP Bio teacher. She knows what it takes to best prepare students for AP Biology exams or for the SAT II Biology achievement test as well guiding students through a course which they may be struggling with. Many of her students got 5 on AP Bio.

Ms. Aman---A current High School AP teacher. She specializes in teaching AP Chemistry and Honor Chemistry, ACT Science and SAT Math with over 10 years of experience. She has coached any students to perfect 5s on AP Chemistry, SAT Math, and 36s on ACT Math and ACT Science. She has earned the trust of students and received excellent feedback from students he taught on all subjects.

Ms. E--- Master degree and high school certified teacher. She specializes in college application and essay correction. She also helped

students through the college application essay correction for 10 years. Numerous students went to top colleges including Harvard, Yale, Princeton, UPenn, Columbia, Cornell, etc.

Ms. Dia--- Master degree in Physics from Columbia University. High school certified teacher and community college professor. She specializes in teaching all levels of Physics, Math, MCAT. She can clearly and accurately explain the basis and origin of the laws of physics and math, as well as their applications so that students can be understood. She also specializes in teaching all levels of math including Precalculus and Calculus AB/BC, Statistics, MCAT. She can communicate very well with students and motivate students to work hard and work smart. She knows what it takes for students to get a perfect score of 5 in AP tests and an A/A+ for the schoolwork.

All of our SAT I students increased 150~300+ scores and 97% of our students reached +1450, ACT +34; 90% of our students reached AP Chemistry, AP Biology, AP Physics..... 5 scores

The Advanced Education Institute has started MCVSD/Freehold/high school entrance exam prep courses since 2012, which has become the BEST test prep center in NJ with the highest acceptance rate each year. From the beginning of 3 out of 3 students (2013), 10 of 12 (2014) students, gradually increased to 15 out of 17 (2015), 18 of 25 (2016) students, till recent years 23 out 30 (2017), 33 of 42 (2018), 35 of 39 (2019), 46 of 51 (2020), 46 of 53 (2021), 51 of 59 (2022), 41 of 47 (2023), 46 of 54 (2024) students got into MCVSD top high schools and almost all students got offer of Science & Engineering/Med science/Computer Science/Law/Business Magnet Program. 97% of our students reached +2200 on SSAT and got into highly selective private high schools, such as Lawrence, Peddie...;

Our students got Individual Top 10 places in Science League, Math Competition Distinguished Honor Roll, USABO, USACHO semifinal and USAPhO silver award. Students got into Harvard, Yale, MIT, Stanford, Princeton, UPenn, Cornell, and NYU stern.
